**About *A Month of Sundays***

Set in a Rest Home, this play revolves around two residents: Cooper, who has voluntarily left his family to avoid the indignity of depending on them, and his friend, Aylott, both on the verge of some geriatric embarrassment. To the painful ritual of family visits and empty condescension, the two inmates reply with humour and wit, aware that life can only be endured if treated as a comedy.

**Bob Larbey wrote *As Time Goes By* and was a co-author of *The Good Life*.**
